

GRISWOLDVILLE PRESERVATION ASSOCIATION

OCTOBER 2000

PUMPKIN' CARVIN' CONTEST ON OCT. 28TH

The first annual Pumpkin' Carvin' Contest will take place at the Moeller Home on Prospect Street at the entrance to Mill Woods Park. The time will be 10-2pm. Bring your already carved Halloween Pumpkin to the Moeller Home parking lot between 9 and 10am. Prizes and ribbons will be awarded to the most creative, funniest and scariest pumpkin designs. Have your child, grandchild or just let the kid in you break out. We'll have certificates from area businesses and restaurants plus 'lift passes' to Ski Sundown as prizes. We'll have Halloween candy for the kids.

SPRING FLOWER AND PLANT SWAP A SUCCESS....

Despite having to reschedule the initial Flower and Plant Swap due to rain, the weekend proved a success. Hundreds of bulbs, flowers, herbs and plants were exchanged.

Griswoldville residents were surprised to find the variety of plants available throughout Griswoldville plus meet their neighbors and exchange planting tips and ideas. Peter Gardow's Dalias were magnificent and will be springing up in yards all around Griswoldville. Wethersfield's motto is roughly translated as 'He who transplantith, sustainith (sp)' was never more true. We received many calls from people that were unable to make the rain date and asked that we do it again next year. Stay tuned for details.

DOOR DECORATING FOR CHRISTMAS

(Want to turn this into an event, contest, take pictures and put them on WEB SITE)

GRISWOLDVILLE CHAPEL FUND DRIVE

GPA WEB SITE

Coming soon the GRISWOLDVILLE PRESERVATION WEB SITE. Thanks to the work of Peter Gardow we have secured www.griswoldville.org for our future web site. We hope to have future newsletters and information about Griswoldville available at this site. We are also looking for someone with a good digital camera to take pictures of events or landmarks.

GRISWOLDVILLE SIGN BACK UP!

Workers knocked down the Griswoldville sign at the corner of RT 3 and Griswold Rd. Fortunately, the sign was unharmed and only the pole was destroyed. This Wednesday the 4th of October the pole and sign were reunited and once again visitors are greeted and welcomed to Griswoldville.
